CHANGES MADE TO KEEP YOU SAFE

We've increased the frequency of our cleaning routines. Every table is cleaned thoroughly at the end of every guest visit.

In some places, we've temporarily reduced our opening hours and we're serving a reduced menu for a while.

We're encouraging contactless payments to avoid handling cash. The contactless limit for card payments has increased to £45. You can use Apple and Googlepay too.

We have introduced new measures to ensure that we meet government advice on safe distancing. We ask all our guests to be respectful of this policy when they visit us.
